GENERAL SUPPLIES

PROFILE

Introduction

Greetings & welcome to **Bin Masud Trading Company Limited**. **BMTC** pushes the limits of technology to create visual systems of the utmost quality. **BMTC** has always been innovative by launching new concepts and services; integrated solutions to customers in the field of General Supplies.

Bin Masud Trading Company Limited was formed and committed to create a workplace where the creative mind and the brave heart for challenges can realize their full potential. We believe In a common future where everyone's contribution is vital and the growth of the company is the growth of everyone in the company. We take pride In the Kenya history, great heritage, rich culture, and the resiliency of the Kenyan people. With this spirit, we hope to play a part in building this country for the better future.

"To do business today we have to change the old patterns and implement innovative processes in the huge emerging markets the demand for products, technology and know-how coming from the Western countries increases..."

...but at the same time the emerging markets create highly competitive products."

On Time Delivery We invest the time up-front to clearly understand your needs and then manage projects to ensure they are delivered on time and within budget. This methodology expedites rapid successful implementation, limits uncertainty and keeps the customer always aware of development progress at our end.

We have qualified staff, honest & efficient team of workers permanent and associated with us to work under sever conditions and are tuned to stick the time period also having a kit of related essential tools as per required day to day.

Our Mission

The mission of the company is to provide its clients with wide range of value added, complete, high quality and 'state-of-the-art' services based on the Earth Observation technology. **BMTC** brings to its domestic and international clients complete portfolio of supplies services.

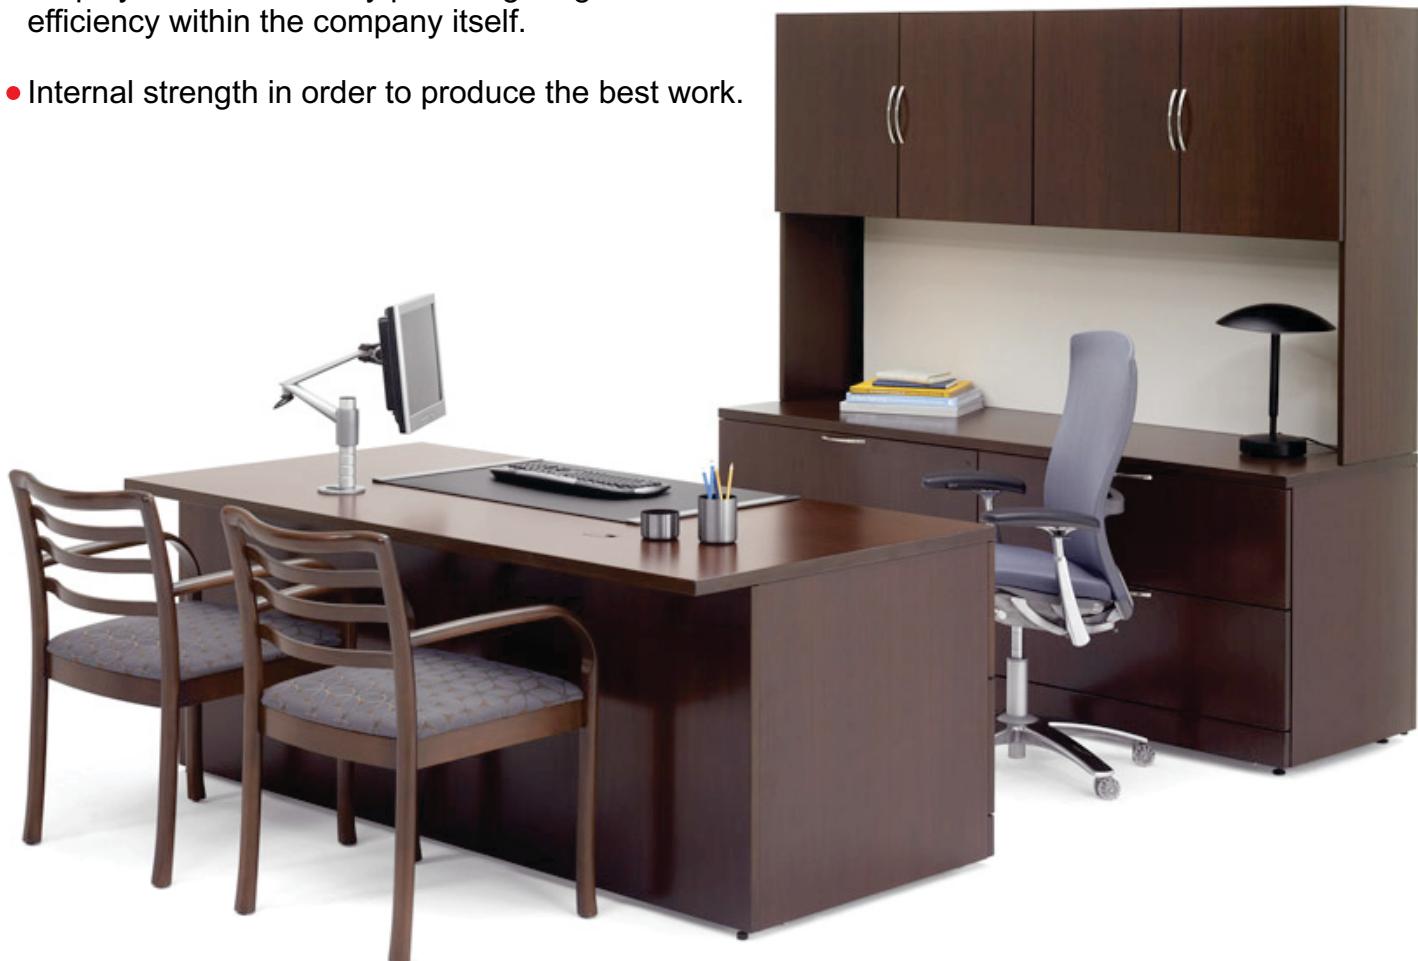

Vision statement

Our Vision is to be a leading specialized General Supply Company, bringing sustainable solutions to all aspects of our intervention, research and solutions we provide.

Values

Customer and employee satisfaction is the key to progression and growth of any company.

- Providing the best quality of work by investing in the latest technological trends.
- Employee satisfaction by providing fringe benefits and attractive salaries in order to boom the efficiency within the company itself.
- Internal strength in order to produce the best work.

Corporate Social Responsibility (CSR) is about approaching our business aims with an awareness of the associated social implications and taking measures to address these in a responsible and sustainable manner.

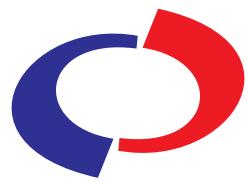

Being a responsible company is a natural consequence of the **BMTC** approach. We recognize that we do not operate in isolation of the society of which the Company and its employees are part and, as such, have made **CSR** an integral part of our operations and strategy.

This approach shapes everything we do so that all our activities contribute to the success of the Company both as a business and an employer.

Our People: We expect our employees to achieve the highest standards of professionalism in all they do and we undertake to treat them fairly and with the courtesy and respect they deserve. The policy of the company is that all applicants for employment and existing employees shall be given equal opportunities in all areas of employment. **BMTC** offers substantial scope for personal development in support of both the goals of the business and individual career aspirations.

Health & Safety: We are fully committed to a process of demonstrable, continuous improvement in the pursuit of health and safety excellence. **BMTC** systems and controls enable us to pro-actively manage our health and safety activity with the aim of achieving zero accidents.
